

# WLC Onsite Videographer

## Purpose:

Serve as the onsite videographer for the duration of the WLC capturing video of all ambassadors, staff, guests and events. Videos will be used for documentary purposes as well as publicity.

**Age Requirement:** Candidate must be 21 years of age or older

**Reports To:** Director of Programs

## Eligibility:

- Must be able to attend the WLC for the entire duration of the event (housing and meals provided).
- Must have a clean background check (completed by HOBY).
- Candidate must have professional videography experience.
- Applicant will be asked to provide a portfolio and/or sample of work.
- Experience with HOBY is desirable, but not required.

## Responsibilities:

### *(Before the WLC)*

- Work with HOBY to determine the type of final product to be created. The idea is to find a good balance between documentary & highlights.
- Review WLC program schedule with HOBY to determine the key events and priority of events.
- Create and provide general daily "film plan" based on program schedule and HOBY input.

### *(During the WLC)*

- Travel with group and be available to film during the course of the daily program (~14 hours each day).
- Based on event, shoot documentary / highlight footage of both organized HOBY and leisure-time activities during the WLC.
- Provide and utilize digital broadcast quality camera(s).
- Have the ability to provide some raw video footage in digital format before the end of the WLC to be used at the closing banquet.

### *(After the WLC)*

- Perform all post-production editing to create a comprehensive highlight DVD with music and graphics.
- Make DVDs available for sale to the event participants and other interested parties.
